Students are not entitled to refunds for early departure according to the Terms & Conditions of programmes in Ireland

However as a gesture of goodwill, AGPI members are happy to provide some recompense for these students. We are offering three options

- 1. Credit against future bookings – allowed to agent and can be allocated as agent sees fit. If credited to an individual student, the credit can be transferred to another student***
- 2. Nominal cash refund, payable in late summer/early Autumn***
- 3. Future Mini Programme which will differ depending on the programmes operated by individual AGPI Members (can be mini integration, summer programme or other closed group programmes. If availing of an existing programme offered by the AGPI organisation, this may or may not cover the entire cost of the programme. You will be notified of the options at the time you make your selection***
